Joe,

Well, I guess you know about
how I feel towards you by now. I
think you are one of the best boys and
Reveler brothers I have ever known.

I wish you lots of luck in every
thing and hope you always have
the best. Keep the Revelers on top
next year and I know you will.

Joe, they don't come better than
you and I'll always remember
you and our good times together.

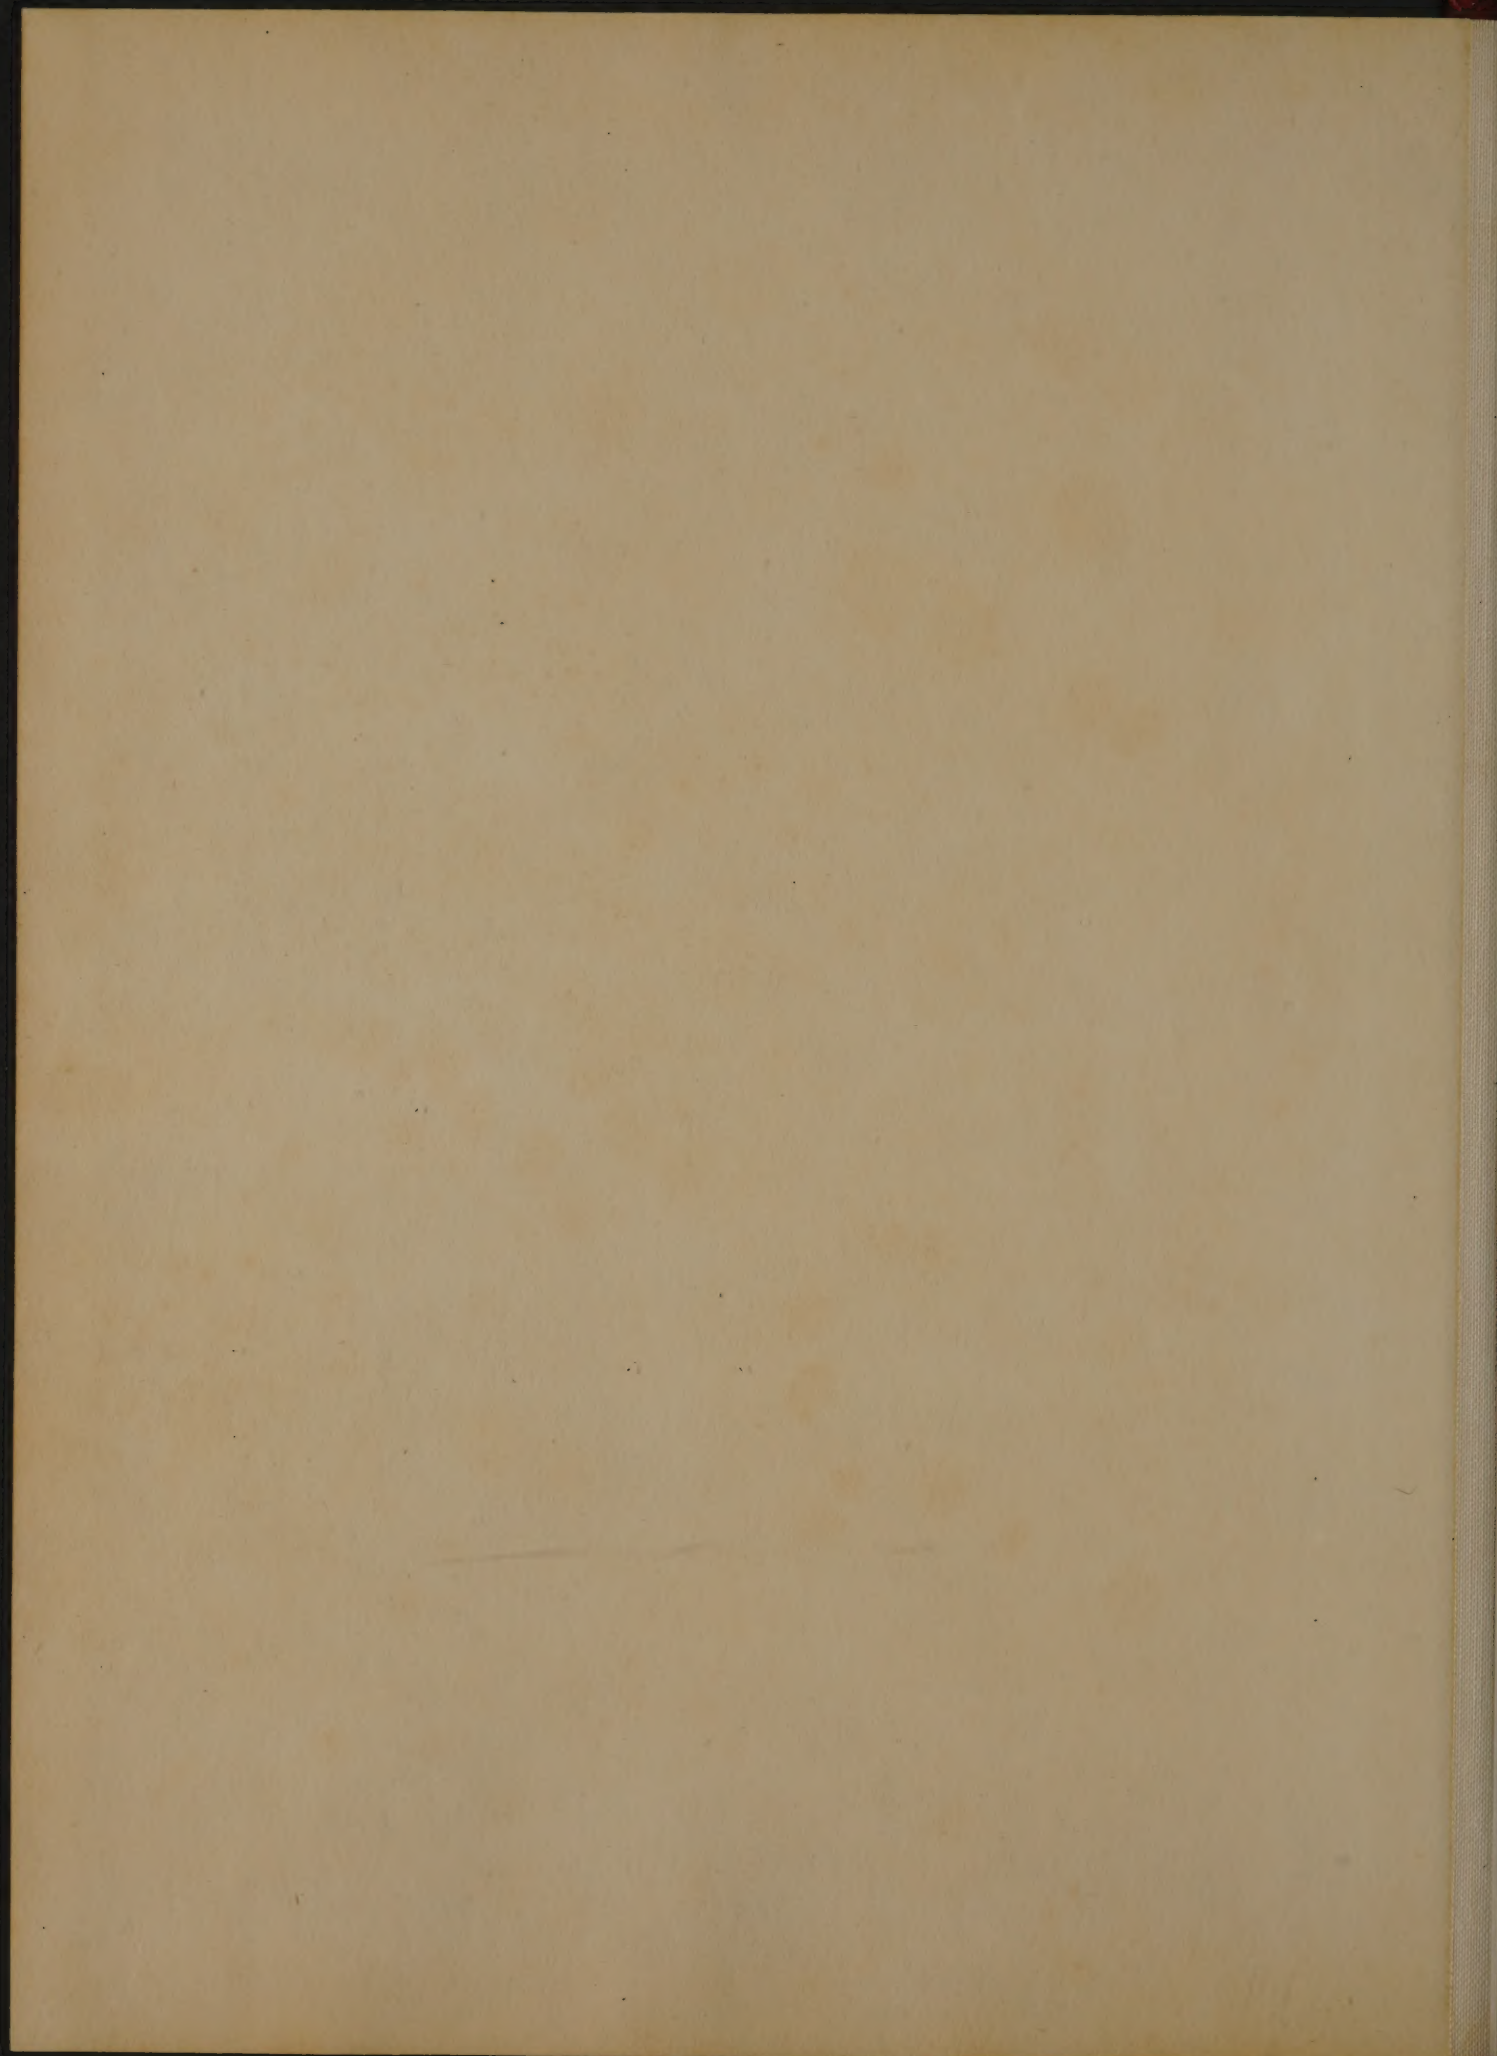

Luck always,

Billy

"so well remembered" —

GREENVILLE SENIOR HIGH SCHOOL
Greenville, South Carolina

FOREWORD . . .

FOR YOU the 1949 Nautilus staff has prepared a scrapbook, a collection of unforgettable experiences on the GHS campus. In this, our book of the year, we have attempted to preserve the memory of familiar halls crowded with joyous students before, between, and after classes; French, Spanish, and Latin students grinding away in class and study hall; election days; afternoons at the library working on essays; groups of inquisitives gaping at High News; special assemblies and committee meetings; the long awaited Senior Day; and finally caps and gowns.

It is our sincere hope that in this, your book, the moments special to you have been memorably preserved, and that when viewed in the years to come, these pages will hold as much interest as they did the first time the book was opened.

ALMA MATER

There is a school we love in Dixie Land,
'Tis Greenville High for which we take our stand.
There we are taught to fill in life a place,
There learn to do, to dare, to run the race.

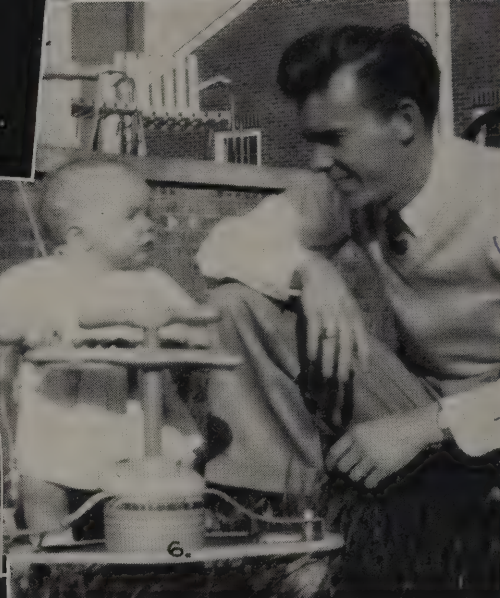

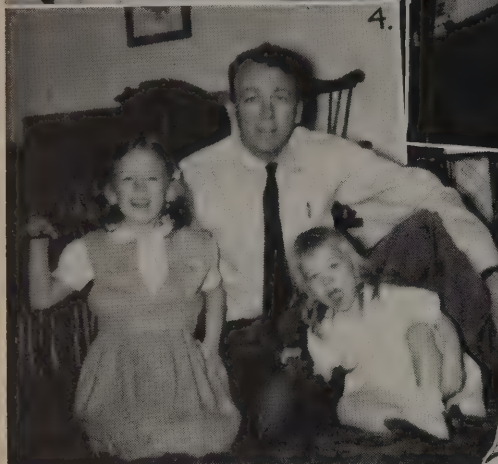

Trueness and Purity our colors show,
Red as the crimson and white as the snow.
Loyal to our motto may we e'er be,
Only through truth shall we be free.

Though we may wander far, whate'er our lot,
We'll ever keep the lessons you have taught.
Our hearts will turn to thee in tenderness,
And pray God bless you, dear old GHS.

So well remembered . . . the SENIORS

SENIOR CLASS SONG

By James Gallemore and Johnny McManaway

(Tune—*Drink to Me Only With Thine Eyes*)

We love thee, dear ole GHS, and we will serve thee.

As loyal seniors to our class we pledge our loyalty;

For out of our minds will never pass the joys of GHS,

For as we face the hardships of life our hearts will be secure.

Remember us, ole GHS, and we will think of thee.

For thus be it ever we should wander from thy sweet memories;

The lessons you've taught will always remain within our reveries,

Instill within the precious thoughts of our Senior Class.

WHEN SUMMER DAYS were over and the manliness in one's heart turned to football, the boys headed for the gridiron to try their ability. The opening practice attracted a large group of prospective players. After much hard work, under the direction of Coaches Speer and Moore, the 1948 football team was chosen.

Although this was an unusual season due to Greenville's opening with Columbia instead of Easley, the last year for Coach Speer, and a game on the first day of school, it proved to be a successful one.

We have been through a lot together through the years and I have enjoyed everything we have done together.

You are one of my best friends and a fine Revue's brother. I hope to see you go places.

Always know that I'm
your friend for ever
